Rev. Dr. McVay:

We're sending a **Very, Very Special "Thank You"** to you and all of the members of the Montgomery-Prattville District of the ALWFL United Methodist Church Conference for responding favorably and positively to our pleas for help to rebuild the Chapel at Draper Correctional Facility in Elmore County, Alabama.

Please know that the magnitude of genuine concern, support, encouragement and financial assistance that the Montgomery-Prattville District is giving are essential and vital to the overall success of our Fundraising Efforts. You're truly an inspiration to us and to all of the inmates, **present and future**, whose lives you'll touch as you complete those tasks that God has assigned you to do everyday. We pray that the favor of the Lord will always be with each of you!

We also give special kudos to our dynamic Board Member, Bro. Jim V. Johnson, for his untiring assistance in support of our efforts to rebuild this Chapel at Draper. His righteous demeanor, tenacious spirit, prayers, concern and professionalism truly help us in so many ways.

We, the Board of Directors and Members of the Draper Worship Center's "Nehemiah Project", want to let you know that we sincerely appreciate your personal assistance and tremendous financial support. Please plan to join us for the Ground Breaking Ceremony in the near future! We'll certainly keep you posted.

Your recent contribution and donation of \$20,000 is certainly making it much easier for us to complete this Project! We don't have words adequate enough to express our gratitude, but we're praying that God will continually bless you, Sir, the Montgomery-Prattville District of the AL WFL Conference, your individual Church members and your family members, everyday and in every way possible. Your efforts and assistance in this matter will **Never Be Forgotten!**

We're doing everything in our power to rebuild the walls of the Worship Center at Draper so that **all inmates can be offered an opportunity to worship, regardless of their denomination.** Again, we thank you and will always remember that your contribution was an intrical part of our success with this Project and in making a positive difference in the lives of thousands of **inmates who truly want to make a change in their lives! May God Bless, Keep & Continually Use You ... is our prayer!!**
